Classic Thunderbird Club International

*For owners and admirers of the 1955 – 1956 – 1957 Thunderbird, an iconic American sports car
(You do not have to own a classic Thunderbird to join CTCI).*

Classic Thunderbird Club International (CTCI) was formed to bring together owners and admirers of the 1955-1957 Ford Thunderbird. To serve as a medium of exchange of ideas, technical information, and sources for parts. CTCI is recognized and sanctioned by Ford Motor Company.

OUR OBJECTIVE: Every classic Thunderbird owner should be a CTCI member!

Membership Benefits Include:

- **Early Bird** magazine. Published six times per year, each issue contains news, information and tech tips for maintenance and restoration. Averages 64 pages, full color. Winner of 16 Golden Quill awards for excellence in publishing. *Early Bird* magazine is only distributed to CTCI members.
- **Chapters.** Local Chapters hold tours, meets, and other outings designed to encourage participation and get the classic Thunderbirds out of the garage. Enjoy the camaraderie of people with the same interest and passion. Check our website for a chapter near you!
- **Technical and reference information.** CTCI members can purchase manuals from a one-sheet wire wheel cover illustration up to a complete Restoration Manual of over 400 pages. Wiring diagrams, carburetor manuals, parts catalogs, and more. You can build your own reference library from the CTCI store if you are a member. Members can also submit questions to CTCI's Tech Editors or Google Groups for personal technical assistance.
- **Events.** CTCI sanctions Regional and International Conventions, hosted by Chapters. Concours judging is a highlight and there are always activities and entertainment unique to the host location. A great opportunity to greet old friends and make new ones.
- **Factory Invoices.** CTCI has the original Ford factory invoices for 1955 Thunderbirds starting with serial 232214, and virtually all the 1956-1957 models. CTCI members can obtain the original factory invoice for their car.
